## DIEFENBAKER HINTS

### Health Move Speeded Up

OTTAWA (CP)—National hospital insurance may come one step closer next week.

Prime Minister Diefenbaker Tuesday hinted in the Commons of federal moves which may put the hospital plan into effect "at a far earlier date than has been anticipated." That date is generally considered to be Jan. 1, 1959, when the Ontario plan is scheduled to go into operation.

The prime minister referred to the federal-provincial fiscal conference here Nov. 25 and 26.

JOHN DIEFENBAKER  
... hints early health plan ...

He said he plans to discuss the hospital plan with premiers of provinces which have indicated approval of the scheme. If there were "reasonable unanimous agreement among them, the plan would start "at a far earlier date than has been anticipated."

#### DEFEAT CCF MOTION

Mr. Diefenbaker was speaking on a CCF non-confidence motion which was beaten by a vote of 142 to 32. The Liberals sided with the Progressive Conservatives to defeat the motion which was supported by the Social Credit group as well as the CCF.

The motion urged immediate federal payments under the hospital insurance plan to provinces with hospital care plans now in force.

Mr. Diefenbaker referred to hospital insurance only in passing. Most of his 30-minute address was given over to a sarcastic and good-humored attack on the Liberals and CCF which the opposition parties apparently took in good part.

Of the Liberals, the prime minister said: "They criticize. They sneer. They scoff. And later to night they'll be voting confidence in us."

#### AFRAID TO OPPOSE

"Why do they follow this strange and tortuous course? Is it frustration? Is it more opportunism at a low level? Everyone knows the answer. They're afraid to vote against us. They're afraid to vote against us. They're afraid to vote against us."

The CCF non-confidence motion was "the worst kind of red herring and political opportunism."

The CCF was "courageous" in presenting the motion because Liberal Leader St. Laurent had already said his party wouldn't try to defeat the government.

"They can speak valiantly because they know there's no risk," Hazen Argue (CCF-Assiniboia) said there is growing evidence that the government is retreating from its previous position favoring inclusion of patients in mental and tuberculosis institutions under the hospital care plan.

### Explosion Rips Gas Pipe Line

PENTICTON — An explosion shook the southern end of Penticton shortly before noon today when a section of the Inland Natural Gas pipeline in the vicinity of Kruger Hill exploded.

Though the pipe was full of gas at the time, no fire ensued. Gas officials here say supplies to Penticton will not be affected but offered no cause for the explosion.

A huge cloud of dust drifted across Highway 97 for almost an hour before the section of the line was cut-off from the gas supply.

An investigation into the cause of the explosion is taking place.

## ALSO IN THE NEWS

OTTAWA (CP) — Unemployment in Canada rose 14,000 during October to 208,000 from 194,000 the previous month, the government's employment survey showed today.

The number of jobs represented 3.5 per cent of the labor force of 6,005,000 compared with the September figure of 3.2 per cent of a labor force of 6,018,000. The decline in the labor force totalled 13,000.

#### COW DUNG AGE

NEW DELHI (AP) — Prime Minister Nehru told Parliament today India must forge ahead with its \$15 billion, second five-year plan to get out of the "cow dung age." Nehru said more than 75 per cent of India's power now is produced by burning cow dung. His government is planning to start more atomic research centres.

#### SOVIET AIDS EGYPT

KUWAIT, Persian Gulf (Reuters) — Reports that Russia is planning to send technicians to help start a new factory in Egypt with branches in the oil-rich islands of Bahrain and Kuwait received partial confirmation here today.

#### NEW STRIKE THREAT

PARIS (Reuters) — The threat of a new, crippling strike hovered over France today as the country struggled to restore public services after a 24-hour walk-out of civil servants.

Gas and electricity workers, who brought the country to a near standstill with a 24-hour strike last month, warned they

will stage another walkout soon unless their demands for higher pay are met.

#### FOUR MEN FOUND

PORT ARTHUR (CP) — Four men, missing since Tuesday when their tugboat went aground in Lake Superior, were picked up today by the searching tug John and were en route to Nipigon, Ont., 65 miles northeast of here.

### Imported U.S. Tomatoes Hit Local Market

VICTORIA (CP) — Agriculture Minister Newton Steacy said many tomatoes were left on the ground this year while 15,396,881 pounds of tomatoes were imported from the United States.

Mr. Steacy quoted the tomato figures as he dealt with the problems of imported foodstuffs in an address to the B.C. Federation of Agriculture annual convention.

"Potatoes, carrots and turnips are also being imported from the U.S. while we in B.C. produce the finest quality that ever comes out of the soil," he said.

"We realize mass production and possibly earlier production is a factor, but possibly we can change this picture by a closer observation of our own conditions."

## CHRISTMAS SEASON RULING

### Victoria To Relax Shopping Hours

VICTORIA (CP) — Mayor Percy Scourrah indicated today city council would act to relax shopping hour restrictions between December 16 and Christmas.

Though not permitted under the Municipal Act, deputy minister of municipal affairs J. Everett Brown advised by letter this week the government would permit waiving of the law.

He said council could permit evening and Wednesday afternoon shopping by passage of a resolution and forwarding a copy of the resolution to his department.

"It is understood that no

prosecutions will be undertaken in that municipality in respect of shops remaining open, in accordance with the provisions of the resolution," Mr. Brown's letter said.

The mayor said the action by the department "is the sensible thing to do. It was an oversight and will be corrected at the next session of the legislature."

"It has caused a great deal of concern to merchants." Under the old act, municipalities had power to regulate shopping hours at Christmas time. The new act makes no exemptions and makes

ROYAL COUPLE OBSERVE ANNIVERSARY

Telegrams showered on Buckingham Palace today as well-wishers of many lands congratulated Queen Elizabeth and Prince Philip on their tenth wedding anniversary. This

striking photo of the royal couple was taken in the music room of Buckingham Palace. The Herald said the prince will make history by holding a press conference in the Palace in

February, having overridden solid palace opposition. Experiences with the Canadian and American reporters on his recent tour with the Queen have influenced him, the Herald said.

## Steps Taken To Develop Civic Centre At Vernon

(Courier's Vernon Bureau)

VERNON — City of Vernon has taken steps to acquire property for the development of a civic centre.

At last night's city council meeting, it was disclosed negotiations have been completed for purchasing 28.8 acres north of 35th Avenue and 35th Street, on the western edge of town.

Purchase price was \$33,570. Based on present real estate values, the land would be worth \$140,000 if sub-divided for housing development, it was stated.

Vernon's centennial project—a spanking health centre building, will be built on the property.

Details of the negotiations were disclosed for the first time at council meeting Tuesday night.

It was felt premature publicity might have affected the sale price.

Other structures, such as a home for elderly people, are planned for the future.

#### PUBLIC PROPERTIES

Mayor Frank Becker, a strong supporter of "public properties and utilities for the people," remarked that citizens should be "indebted to Ald. H. B. Murray and Ald. Jack Monk for purchasing this land for future civic development. I suggest that we put up red and white marker posts so people can see at a glance the extent of this beautiful piece of property."

Ald. Fred Howard said he agreed with the purchase, but thought the matter should have been put before the people.

"I maintain they have elected us and it is up to us to show a little foresight," retorted the mayor.

Council found it was expedient to make an initial \$15,000 cash payment from the \$68,000 received from sale of tax properties. The balance of \$18,570 will be paid at the rate of \$5,000 per year over a five-year period.

To buy a similar piece of property in the heart of the city, would have cost around \$85,000 it was estimated.

Also drawing heated discussion was a proposal to purchase land

#### FIRE IN MATTRESS

Damage to a mattress and blanket was caused early this morning when a heating pad short-circuited. Firemen answered a silent alarm at 2:45 a.m. to 197 Viny Ave. to deal with the situation.

### KALEDEN COUPLE, DAUGHTERS ESCAPE EARLY MORN BLAZE

KALEDEN, B.C. (CP)—Mr. and Mrs. W. Quinn and their two small daughters saved only an armful of clothing when fire destroyed their home on the upper floor of a two-storey building here early today.

The couple said they smelled smoke at about 6:30 a.m., and found the store section of the Kaleden Recreations Building afire. Mrs. Quinn managed to make two trips to get the girls—Elaine, 5, and Colleen, 4—out of the building while her husband moved a car and truck.

Building and contents, which included bowling alleys, pool tables and other recreational equipment, were valued at \$12,500.

## B.C. Pulp Strike Deadlock Holds

VANCOUVER (CP) — Neither side has made an overture towards settlement of the six-day-old strike of British Columbia's 8,000 pulp and paper workers, a spokesman for the seven firms involved says.

D. R. Blair, manager of the Pulp and Paper Industrial Relations bureau, was commenting on a union claim that the companies had made "no attempt whatsoever" to settle the dispute.

The strike, called by the International Brotherhood of Pulp, Sulphite and Paper Mill Workers and the United Papermakers and Paper Mill Workers to back up wage demands, has shut down nine mills producing nearly 10 per cent of the world's newsprint. It began Nov. 14.

The claim that management had made no attempt to end the impasse was made in a statement issued by the policy committee of the pulp-sulphite workers and the papermakers. It said the committee is always prepared to consider any settlement proposals.

#### NO OVERTURES MADE

Mr. Blair replied in an interview: "No overtures have been made by either party."

Asked whether management too is prepared to consider any settlement proposals he replied, "no comment."

Mr. Blair noted that shortly before the strike began the companies told their employees they were still prepared to settle the dispute on the basis of a conciliation board's recommendation, but he refused to say whether this offer still stands.

The conciliation board recommended an increase of 7½ per cent in the workers' basic rate of \$1.12 an hour. The unions demanded 12½ per cent.

Mr. Blair said hourly earnings

## Family Of Four Escape Disaster

PENTICTON, B.C. (CP)—

A family of four from Regina came within four inches of disaster Tuesday when a trailer on the back of their car pulled the car backwards to the edge of a 140-foot ravine before breaking loose and tumbling down the cliff.

Mr. and Mrs. Andrew Robinson and their two children escaped unharmed but their trailer was wrecked. They were moving to the west coast to live when the accident happened on the Hope-Princeton Highway between Pine Woods Lodge and Princeton.

Robinson said in an interview he was backing up after getting gas when the 5,000-pound trailer on the back of his car began to roll downhill from the gas station driveway.

"I slammed on the brakes, but they couldn't hold it," he said.

The trailer pulled the car to the edge of the ravine, tilted over and, at the last second, broke free when its hook slipped the hitch on the car.

The Robinsons are staying at a cafe here while Mr. Robinson tries to salvage some of their possessions from the trailer, which was insured.

### Sloan Probe Injunction Still Bull's Plan

VANCOUVER (CP) — Lawyer

Alfred Bull today was understood to be planning to proceed with his application for an injunction barring the Sloan Royal Commission from investigating charges of graft against former

forests minister R. E. Sommers. Federal Justice Minister David Fulton said Tuesday he is satisfied that the Royal Commission under Chief Justice Gordon Sloan is constitutional.

Mr. Bull had told the opening hearing that the commission has no right to investigate what he said would be a criminal code charge if proven.

Mr. Bull was not immediately available for comment today, but his law partner, C. C. I. Merritt, V.C., indicated that Mr. Bull still plans to ask for the injunction.

Asked when the application might be made, C. I. Merritt said: "I'm not a soothsayer."

He added: "Mr. Bull has said he plans to ask for an injunction. You have no reason to believe, have you, that he is a man of idle promises?"

### CPR Western Strike Looms

VANCOUVER (CP) — Possi-

bility of a strike that would tie up Canadian Pacific Railway operations in Western Canada loomed in the suspension of four train engineers.

Sid G. Claridge, chairman of Division 320 of the Brotherhood of Locomotive Engineers, said the company has been notified that a strike vote will be called for unless the four men are reinstated.

The men are among 19 CPR employees suspended for refusing to cross an oil, chemical and atomic workers picket line at a strike-bound Imperial Oil subsidiary at Mission.

Value of wages lost so far in the strike approached \$1,000,000. Production loss was valued at nearly \$4,000,000.

## Large Increase In Apple Yield

Apple production over Canada and the United States in the season just concluded was the highest since 1930, according to latest available figures from agriculture departments in both countries.

The overall production on the continent as tallied so far this year, came to 67,830,093 boxes, about 16,000,000 more than last year. This confirms thinking that both Canada and the United States had bumper crops in 1957.

The United States total for 1957, as at November 1, was 59,076,093, about 14,000,000 more than in 1956. It was the largest American crop since 1932.

#### MORE THAN HALF

Washington State produced more than half the American crop, with an output of 31,600,000 boxes—the largest since 1950.

The state crop and livestock reporting service said production in Washington will eventually nearly double the 17,700,000 boxes grown last year and be well ahead of the 10-year average of 27,480,000 boxes.

"Substantial quantities" of late varieties will be left on the trees in Washington because of low prices.

Next highest producing state in the United States is New York, with 15,600,000 bushels.

Okanagan and Kootenay production this year has been estimated at 6,200,000 boxes, according to latest figures obtainable from the agriculture department.

AHEAD OF 1956

Of that amount about 5,250,000 boxes is the estimate being available for the fresh fruit market, and of that figure, 1,844,154 boxes have already been sold, according to B.C. Tree Fruits Ltd., the central selling agency.

Sales in all varieties of Okanagan-Kootenay apples are 23,000 boxes ahead of last year's, a DCTF official said.

The McIntosh crop, which made up 1,900,000 boxes of the 5,250,000 boxes of all varieties offered on the fresh fruit market, has less than 40 per cent left in storage.

B.C. Tree Fruits confirmed this morning that a little more than 61 per cent of the Mac crop has been sold—a total of 1,184,894 boxes.

### Navy League Quota Is Cut To 35 Cadets

Quota for RSCS "Grenville" has been reduced from 50 to 35 cadets, the local branch of the Navy League of Canada has been informed.

Lieut. Commander D. H. Tye, of Vancouver, has informed local cadet officers that the total B.C. strength under the new set-up will be 1,300 cadets. Maximum for Canada is 10,000.

Reduction in quotas is believed to be in line with the federal government's policy of cutting down on defence spending.

According to local Navy League officials, there are only five vacancies in the corps, based on the present quota set by Ottawa.

## Coast Alderman Labels Sunday Issue "Sawdust"

VANCOUVER (CP)—City council will decide Friday whether to hold a new plebiscite on the Sunday sport question.

This was the outcome of vigorous debate Tuesday, as Ald. Earle Adams fought for an immediate decision to stage a repeat performance of the 1955 plebiscite.

He said this would "give the attorney-general a majority he cannot very well afford to ignore" and effectively answer government statements that the 1955 plebiscite was too close to indicate clear public opinion.

The debate also featured a move by Ald. Halford Wilson to have any new plebiscite "videotaped" to take in "Sunday activities" instead of just the sports issue.

Wilson argued that they should go back to the wording of an unsuccessful 1951 plebiscite which asked if voters favored athletics and sporting events, cultural events and theatre performances Sundays between 2 p.m. and midnight.

Ald. Adams said this was proposed because it would be voted down and thus the basic issue of Sunday sports would be killed.

"This is the same kind of saw-

dust that was thrown in by council members in 1951 to kill Sunday sport and is the same kind of thing that the attorney-general is suggesting for the same reason," charged Ald. Adams.

But Wilson came back with a charge that Adams was "unfair to those who would like to go to a symphony concert instead of a ball game Sunday afternoon."

### Gasoline Theft Charge Faces Two Juveniles

Two 16-year-old juvenile boys appeared in juvenile court recently on charges of theft of gasoline.

Juvenile Court Judge Donald White ordered their driver's licence suspended 30 days and placed both on probation for six months. One of the youths was fined \$10 for having a rifle in the car without first having taken out a firearms licence.

NEW SCHOOL NEARLY READY

Bright and modern, the new four-room addition to Raymer Avenue school will soon provide classrooms for more than 100 primary pupils. The structure is one of four new small schools in the district. One in Rutland and two in Kelowna have been completed, and a three-room brick school house in East Kelowna will be ready after the Christmas holidays. (Courier Staff Photo)

MR. and MRS. DONALD EARL SUTHERLAND  
PEACHLAND WEDDING OF INTEREST

PEACHLAND — Chrysanthemums in late autumn hues decorated St. Margaret's Anglican Church, Saturday, November 9 for the impressive service uniting in marriage Kathleen Elizabeth Ann, elder daughter of Mr. and Mrs. Ivor Jackson, Trepanier, and Mr. Donald Earl Sutherland, youngest son of Mr. and Mrs. W. H. Sutherland, White Rock. Rev. A. A. T. Northrup officiated at the 3 o'clock ceremony.

Given in marriage by her father, the attractive, dark-haired bride chose a gown of white nylon French lace over cream tulle. The skirt was designed in bouffant, waist-length, featuring back interest in its fullness and deeper hem-line, with a large tulle bow at the waistline. The bodice was fashioned with a scalloped bateau neckline and tiny sleeves. A bandeau of net held her chapel veil in place, and long lace mittens completed her ensemble.

The bride's only piece of jewelry and "for something old" was an heirloom pendant of diamonds and amethysts belonging to her mother. She carried a shower bouquet of single yellow, "mums" interlaced with mauve ribbon, which matched the amethysts in her pendant.

**SISTER ATTENDED BRIDE**

Attending the bride was her sister, Miss Pamela Jackson, of Victoria, who wore a gown of shot tulle in autumn tones of bronze and yellow, styled with bouffant, waist-length skirt, molded bodice and short sleeves. She wore long mittens of the same material as her dress, a headpiece of yellow button "mums" and carried a shower bouquet of bronze "mums."

Dr. Roy Sutherland, of Victoria, was his brother's groomsmen, while Mr. Charles Hallstone ushered.

During the signing of the reg-

ister the congregation sang the hymn, "Lead Us, Heavenly Father, Lord," Dr. Fred Waldron, Victoria, was the organist and provided music while the guests assembled.

Following the ceremony, a reception for 100 guests was held at the Totem Inn. For the occasion the bride's mother chose a two-piece afternoon dress of flowered silk, brown accessories and a corsage of bronze "mums." Mrs. Sutherland Sr., wore a grey tailored suit with picture hat.

**UNCLE PROPOSES TOAST**

Covering the bride's table was a Chinese embroidered cloth, and the three-tiered wedding cake was flanked by tall white tapers in silver holders. The bride's uncle, Mr. E. C. R. Cardinal, of Penticton, proposed the toast to the bride, and Mrs. Cardinal, of Penticton, gave the bride away. Howard Simey were assisted in serving by the Misses Margie Smith, Doreen and Diane Ruffie, Joan Topham, Frances MacNeill and Elizabeth Wilds.

For the wedding trip to the coast the bride donned an Italian rose-colored knitted boucle two-piece suit, with light tweed topcoat and her accessories were "honey" color. The young couple will reside in Peachland on their return.

Besides those mentioned, other out-of-town guests included: Mr. and Mrs. Crittendon, Penticton; Mr. and Mrs. Ted Atkinson, Mr. and Mrs. Nat May, Dr. and Mrs. Don Fisher and Mr. and Mrs. John Caldwell, all from West Vancouver. From Twin Lakes there were Mr. and Mrs. Gordon Sutherland, Miss Lorna Sutherland and Mr. Don Sutherland. Kelowna guests were Mr. and Mrs. W. J. McCaig and Donald, and Mr. and Mrs. W. Knudson. Others were Mr. and Mrs. Aubrey Reed, Vernon; Mrs. A. S. Grigsby, Oyma; Mrs. A. McKay and Mr. and Mrs. Henry Paynter, Westbank.

Both Archbishop and Queen Made Mistake During Coronation Service

LONDON (Reuters) — The Archbishop of Canterbury, Dr. Geoffrey Fisher, admitted today both he and Queen Elizabeth made a mistake during the coronation service in Westminster Abbey in June, 1953.

He was asked at a Commonwealth Correspondents' Association lunch if this would be an appropriate time to comment on previous reports of the errors.

"I will what your curiosity," he said. "It is true that after the coronation, before we left the abbey, Her Majesty said to me 'Archbishop, you made one mistake.'"

"I said to Her Majesty 'You made one too.' We each owned up. We each knew what the other's mistake had been, but not even wild horses would drag from me what they were."

"Nobody but the Queen and myself knows what they were. It did not go further than putting a foot wrong at a certain moment."

Westbank Bride-Elect Honored At Shower

WESTBANK — A shower honoring Miss Inez Haase was held at the home of Mrs. C. F. Hoskins on Tuesday evening last. There were approximately forty guests present. Many pretty gifts were presented to Miss Haase, whose marriage to Mr. Martin Polyteina, of Kelowna, takes place later this month.

A mixed bowling team now makes the journey to Summerland once a week from Westbank.

The St. George's Anglican Guild held a very successful rummage sale in Kelowna.

In hospital at Kelowna at present are Baby Kneller, Mrs. Pencil, and Mrs. Usher, Mrs. Paul Brown and Mrs. H. Jonsson have now returned.

Mrs. W. MacLean, who had just returned from Vancouver a few days ago, had to leave for there again to attend the funeral of her brother-in-law, Mr. T. K. Aird, who died suddenly early Sunday morning.

Hospital WA Will Meet Next Monday

Kelowna Hospital Women's Auxiliary will hold its annual meeting next Monday, November 15 in the Health Unit at 2:30 p.m.

All interested are invited to attend, as well as those wishing to join the Auxiliary. Tea will be served during the afternoon.

AT WINFIELD

Miss Eileen Wheeler Honored At Shower

WINFIELD — Fellow-workers at the packinghouse were hosts at a shower recently in honor of Miss Eileen Wheeler, whose marriage to Mr. Joseph Amante, of Winfield, takes place in Vernon November 23.

Thirty-one friends of the bride gathered for the occasion at the home of Mrs. G. Berry who greeted the guest of honor on her arrival, and led her to a chair placed beneath a bower of pink and white streamers centred with bells and balloons. Pierced later, the balloons showered confetti on the bride-elect.

The many prettily-wrapped gifts were presented to the honoree in a large suitably-decorated box, and helping her unwrap them was her sister, Miss Norma Wheeler. After the gifts had been displayed Mrs. Berry entertained with selections on the Hammond organ, and refreshments brought the evening to a close.

WINFIELD — Mr. and Mrs. Claire Gibbons, Sharon and Rita, have returned home from a weekend motor-trip to Wenatchee.

J. E. Seaton has returned home from a week's visit to Oliver where he attended the funeral of his brother-in-law, Mr. E. Lawley.

AT WESTBANK

WI To Refurnish Hospital Wards

WESTBANK — The annual general meeting of the Westbank Women's Institute was held recently in the Community Hall. Reports were presented on behalf of the various committees.

In mapping out its program for the coming year, the Institute decided that its principal project would be the redecorating and refurbishing of the two Westbank wards in the Kelowna hospital.

A special item in the proceedings at the December meeting will be a showing of slides taken by Mrs. J. H. Blackey on her trip as a delegate to attend the conference of the Countrywomen of the World held in Ceylon last summer.

Gifts to be sent to the Provincial Hospital at Essondale include two from the Institute as a whole and an individual gift from each member, as was done last year.

Last year's board of directors were all re-appointed. They are: President, Mrs. R. Whitworth; Clarke, vice-president, Mrs. T. B. Reed; secretary, Mrs. W. MacLean; treasurer, Mrs. J. H. Blackey, and directors, Mrs. A. L. Clarke and Mrs. G. D. McClauder.

KEEP IN TRIM

Help For The Flat-Chested Girl

BY IDA JEAN KAIN

It's been said that a person works best under praise, second best under criticism, and least well with indifference. True. The enthusiastic letters that come to your dietitian reporting results are always a joy to pass along. And of course they boost your morale. However, the letters which criticize some particular column, showing where I have erred, are wonderfully helpful.

A teen-ager, with frankness characteristic of youth, writes: "I would like to try the exercises you described, but they seem rather muddled, and I can't understand them. You wrote 'There is no question but that exercise helps to improve a flat chest. Years back when I interviewed Marilyn Monroe, she said she exercised regularly with 5 and 10 pound weights, and now she has a 37 inch bust measurement.' I do want to try these exercises and wish you would make them clearer."

All right, let's try again.

Position: Lie on back on floor. Have head resting on a regular pillow which has been folded double. (Elevating your head changes the angle of pull slightly.) In each hand clasp a 5 pound

Effective curve maker

Movement: Very slowly lower arms down to floor at the sides (hands still clasping weights or books), and as you lower your arms, inhale—breathe in. All right, your arms are now resting on floor, holding weights. As you bring them slowly back up until they are in the air above your chest, you exhale, letting your breath out. This works the pectoral muscles that help to support the bust. Because the weights offer resistance, the muscles are forced to work harder.

Action is always more effective than words. So, teen-agers, down on your backs, books clasped firmly in hands—act out the exercise.

As I write the exercise instructions, I frequently act them out just before passing them along. Then dusting myself off, I think optimistically, "This can't miss." But now and then I miss a mile. Corrections are always welcomed.

In developing the bust, girls remember that weight is important. Adding needed pounds can't improve the bust, particularly if your daily menus include all the good nutrition. The bust measurement, more than any other, reflects vitality or lack of it.

Exercising will not make the bust large but larger, but by improving the tone of the supporting muscles, the position can be improved.

Novel Idea Used In Presenting Gifts At Shower

Miss Gloria Holmes, a bride-elect of this month, was honored with a miscellaneous shower given by Mrs. Robert Taylor at her home, 128 Glenmore Road, Saturday evening.

As bridegroom-elect Mr. Joseph Mildeberger is a fireman, the novel idea of presenting the gifts in a toy fire-engine was used, and following their opening and display lunch was served.

Those present included: Mrs. Mike Durban, Mrs. Eric Loken, Mrs. Joe Kaiser, Mrs. Allan Anderson, Mrs. Frank Feist, Mrs. Phyllis Baukman, Mrs. Brian Roche and Mrs. Ron Gee. The wedding will be solemnized in the Church of the Immaculate Conception November 30th.

Health Clinic At Kelowna Today

SOUTH KELOWNA — Peter and Ruth Stirling, with Ernie and Sylvia Blackburn of East Kelowna spent a successful week end fishing in the Shuswap area.

The next Child Health Clinic will be held in the school on Wednesday 20th from 3-4 p.m. Nigel Taylor left on Sunday for Yakima, Wash., where he will tour packing houses to view bulk handling of fruit.

**SEEK RE-ELECTION**

WARFIELD, B.C. (CP) — Harry Simpkinson, chairman of the Warfield Village Commission and Commissioner E. C. Ronne said they will seek re-election. K. E. Collingwood, the other commissioner whose term expires this year, said he has not yet decided whether to run again.

Senior Citizens Christmas Party December 17

Two hundred members of the Senior Citizens' Club in Kelowna plan to attend the annual turkey supper and Christmas party scheduled for December 17 in the United Church Hall. Plans for the entertainment following the supper are in the hands of J. W. and R. P. Hughes.

Arrangements for the annual party were made at the last regular meeting of the club which has almost 200 members, and of which Ernie Pearce is president. First vice-president is J. J. McDonald; 2nd vice-president Sid Fulcher and the secretary-treasurer is Mrs. E. McDonald.

Election of officers for the ensuing year will take place at the December meeting.

Child's Reaction To Fact Of Death

BY GARRY CLEVELAND MYERS, PH.D.

We heard two young boys shouting: "The dog has a woodchuck friend."

Later, the younger child, 5, excited, came running up to say, joyously, that the woodchuck was in a hole under a rock and that his brother, 10, wanted a hanger to use to tease the poor creature and cause it to snap like a fish at the hook on the hanger and be yanked out.

**MOTHER'S REACTION**

The mother refused the hanger, deploring the proposed cruelty. She asked the little fellow how he himself would like to be tortured. After teasing in vain for some while, the younger boy returned to the scene.

Not long after, he came running back to say the dog had killed the woodchuck, describing it in all its gruesomeness. Then he added, "We are going to bury it," and he ran to get a shovel.

After a longer while, both boys returned. This time both boys expressed no joyousness but seemed sad.

The little fellow reported: "We buried it. We put a big stone over it so nothing could dig it up. Dave made a cross. We put it on the grave and we said a prayer over it. Dave made up the prayer."

**PRAYER RECITED**

With some prompting by Dave, the younger boy repeated the prayer in a kind of awesome reverence: "Dear God, we are humbly sorry the dog caused the death of this woodchuck. Amen."

The mother and grandparents heard the account of the burial and the prayer in a quiet, respectful manner and the boys were complimented with "a fine thing to do."

Often when a child's pet dies, the kind discerning parents sadly and reverently help in its burial and prove to the child they share in his sadness at the loss. Such practices have always struck me as very wholesome. A child having so treated the remains of a pet or of a creature of the wild, could hardly get pleasure from torturing any creature just for fun.

C. G. Bissell Will Contrast Modern Vs Old-Fashioned School Methods

"Is the present Kelowna Elementary school system meeting the individual needs of our children?" will be the question posed by elementary school principal C. G. Bissell at Monday's general meeting of the Kelowna P.T.A. Place and time of the meeting will be the senior high school lunchroom at 8 p.m.

Mr. Bissell intends to contrast the old-fashioned authoritarian school with the modern methods, and hopes to give parents the opportunity to gain some insight into the internal organization of the classroom so that the individual abilities of each child are met and developed.

Mrs. L. Latley, of Vernon, "World Understanding" chairman of the B.C. Parent-Teacher

Federation will have a display of books, magazines and pamphlets on child guidance and education at this meeting.

AT WESTBANK

United Church Supper Was Largely Attended

WESTBANK — A function that becomes bigger and better each year is the annual turkey dinner held by the Ladies' Auxiliary of Westbank United Church, and this year's event was no exception.

The dinner was excellent and the house was well filled. In fact, that a large second sitting had to be provided for, with the ladies able to meet all demands.

Rounding off the evening was a brief but enjoyable program, which where were taking part: the Buzzell choir; Mrs. Gwen Harding, soloist; Tom Itani, Bill Kennedy, Const. A. Williams with his guitar and Dudley Pritchard, cast in a short skit entitled "Giddy Locks."

Princess Margaret Accepts Brooch

LONDON (AP) — Princess Margaret today was presented with a \$15,000 diamond brooch as a gift from Dr. J. T. Williamson, Canadian owner of a diamond mine in Tanganyika which she visited last year.

The brooch was given to her by Colonel Secretary Alan Lennox-Boyd. He brought it with him when he returned from an East Africa visit last Saturday. Williamson himself is unwell and cannot travel. He is a native of Montford, Que.

Early December Rites Forecast

Mr. and Mrs. Arthur J. Smith, of Lakeview Heights, announce the engagement of their only daughter, Sally Louise, to Mr. Patrick W. B. Garrard, of Westbank.

The wedding will take place at 7:30 p.m., December 7, at First United Church, Kelowna, the Rev. R. S. Leitch officiating.

The Packers beat the Canadians last night, but their manner of doing it kept 1,200 fans on the edge of their seats right to the 70th minute of play.

The score was tied 1-1 at the end of regulation time, and Jack O'Reilly's boys rallied in the ten minutes of the extra frame, after Vernon had forged ahead, 2-1, rapping in three goals for a 4-2 victory.

Thrill after thrill was handed out in the final and overtime frame, after a game that made the Packers look somewhat less than they are.

**BARRED THE DOOR**  
Goalie Dave Gathrum in the Packers' nets gave an exhibition of goal tending that was a thrill to watch, many times rising above himself to hold the swarming Canadians out. Backed up ably by four top-flight defence men, all working hard, he managed to keep the red and white club within striking distance throughout the game that could easily have gone either way.

Goalie Hal Gordon was equally "up" in the Vernon nets, but found right-winger Brian Roche too much for him on the winning goal, as "Rocky" moved in close, feinted and "deked" until Gordon exploded, then slipped the rubber smoothly.

A sterling competitor, playing-coach George Agar was out on the ice running a temperature and gripped by the "flu bug, but it never showed in his play.

Mike Durban, back from the side-lines following his foot injury, teamed with line-mates Ray Powell and Moe Young to make the best passing line on the ice. Powell's play-making could easily have been instrumental for more than one marker, and the checking of the whole line was close and clicking.

Bugs Jones, centering the flying team of Greg Jablonski and Al Schaefer, was by far the hardest two-way man on the ice. Jabbo, sky-scraping right-winger,

looked better than he has all year, tossing out crushing fore-checks in his endeavor to keep the Canadians bottled up.

**TOUGH FORE-CHECKING**  
Schaefer's best effort at fore-checking was a clean clash with Ted Leboldia that made the durable rear guard limp to the box to have a shoulder massage before he returned to the ice.

Roche was the stand-out on the Middleton-Kaiser-Roche line, his checking both ways and hustle making him stick out like a sore thumb with his less-than-hustling mates.

The first period was one of the fastest, cleanest and most ineffective seen here this year, 21 minutes of clock time elapsing, and only 17 shots on goal altogether.

gether, with no goals and no penalties.

**FIRST BLOOD**  
Vernon got first blood when Odie Lowe was left to roam around the Packers goal unchecked, and had time to take a shot and two re-bounds before he cracked Gathrum's armor, half way through the second frame.

In the last three minutes of the frame, Jabbo broke away and went whirling right in on Gordon from the right side. Gordon made his move, cutting down the angle, but dropped his goal stick just as Jabbo let go. The puck went practically straight up off the goal stick, caroming right into the goal off the chest of defence man Bud Laidler, who was moving in to clear.

The score remained knotted for the third frame, with the tempo picking up. Young missed a heart-breaker on a breakaway, and Middleton missed twice on close-in work, any one of which could have been the big goal.

**WILD EXTRA FRAME**

In the wild and woolly extra frame, King opened the scoring, when he roughed it up in the corner with Laveil until no one was paying attention to him, then broke away and drifted right across the goal mouth to turn Laidler's pass in neatly.

Two minutes later Middleton was set up by Roche and drove a high one right over Gordon's shoulder to knot the score.

As the clock ticked away the minutes, both Gordon and Gathrum were called upon to be great, but it was Roche who broke the ice, with his smooth deking, and the Packers went one up.

Schaefer added the insurance goal in the last minute of play, backhanding one into the open net, with Vernon trying for the tying marker, and Gordon pulled in favor of the extra forward.

## GORDON BLOCKS THE DOOR

The Packers beat the Vernon Canadians last night on Brian Roche's clever over-time goal, keeping them abreast of the

Kamloops Chiefs in first spot. Above, Roche is seen in on goalie Hal Gordon who has gone down to make the save,

# Russian Hockey Team Ooze Cool Confidence

TORONTO (CP) — Indoor arenas and artificial ice won't bother the Russian hockey team in its seven-game swing through Ontario and Quebec, team officials said on arrival here early today. These conditions aren't new to them.

Moscow has had a 14,000-seat arena complete with artificial ice since 1956. So the Russians, who toppled Canada from its Olympic perch in Italy last year, aren't looking for any excuses against junior and senior teams.

"It won't be difficult to play under these conditions in this country," said Col. Pavel Korotkov, chairman of the Soviet Ice Hockey Federation, in an interview. The players might find it a little bothersome to adjust themselves to atmospheric conditions, but they are quietly confident they can hold their own on the ice.

Wary after more than two days in the air, the Russians headed for their downtown hotel and sleep shortly after their arrival by plane at 5 a.m.

## PRACTICE IN GANDER

They left Moscow Monday morning, arrived at Gander, Nfld., early Tuesday and took advantage of a stopover to practise. They took a milk-run journey to Montreal, stopping off at Sydney, N.S., and Halifax en route and their plane landed at suburban Malton airport nearly two hours late.

Col. Korotkov, who heads the 25-man party, readily admitted through an interpreter that this wasn't Russia's strongest team, nor is it the team that will play

in the world amateur championships at Oslo next Feb. 20-March 9.

"Some of this team will play in Oslo," he said. But personally, the club for the world championships won't be decided until after the European tournament at Stockholm early in December.

The Russians open their tour Friday night here against Whitby Dunlops, Canada's representatives in the world Championships. They then play in Windsor, Kitchener, Sudbury, Montreal, Kingston, and Ottawa before heading

for Stockholm Dec. 8.

The team is a composite all-star club from the Dynamos, Soviet Wings and Central Sports Club of the ministry of defence in Moscow.

A busy schedule has been lined up for the Russians.

They will practise at Maple Leaf Gardens this afternoon, attend a press reception and tonight will watch the Chicago-Toronto National Hockey League game. A tour of Niagara Falls and the Royal Winter Fair here have been arranged for Thursday.

## Canucks Droop, Then Surge In Lop-Sided WHL Victory

By THE CANADIAN PRESS

Lop-sided scoring marked the two games in the Western Hockey League Tuesday night.

Vancouver Canucks compiled their highest-scoring game in a home stand this year in defeating Seattle Americans 7-3.

In Edmonton, the Flyers beat Saskatoon St. Paul Regals 6-1 before 2,600 fans the smallest crowd of the season. In Vancouver 3,302 attended.

The Coast Division-leading Canucks now have won 11 of their 14 WHL games, tying one, for 23 points, the best record in the two divisions.

## BALANCED TEAM

Coach Art Chapman has said right along he has a well-balanced team and therein lies the strength of the Canucks.

Phil Maloney and Orland Kurtenbach, Canucks' top point-getters, fattened their totals with two goals and an assist while Kurtenbach scored a goal and set up two others.

Other scorers for Canucks were Ron Hutchison, Elliot Chorley, Red Johansen and Jackie McLeod. Seattle scorers were Ray Kinasevich, who put two in the net, and Guyle Fleider.

## CHANGE PLACES

The Flyers and Regals changed places in the Prairie Division on the outcome of their one-sided game, behind the idle Winnipeg Warriors and Saskatoon St. Paul dropping half a game back into third place.

Len Lundie opened the scoring after five minutes of the first period when a foot-high shot from just inside the blue line beat Regal's goalie Lucien Dechene.

Other Edmonton scorers were Chuck Holmes, Metro Prystal, Frank Roggeveen, Billy McNeill and Jerry Melnyk.

The lone Saskatoon St. Paul goal, by defenceman Bob Chrystal, ended 105 minutes of shutout hockey for Flyers goalie Dennis Riggins.

Winnipeg is host to cellar-dwelling Calgary in tonight's Prairie Division game.

## S. African Golfer Beats Out Aussies

MELBOURNE, Australia (AP) — South African Gary Player, making a brilliant comeback after trailing one down at the 27th, defeated Ossie Pickworth, four-times Australian champion, 2 and 1 in the semi-final of the Australian professional golf championship today.

In the final Thursday, Player will meet Australian Peter Thomson, who defeated Eric Crenn 2 and 1 in the other semi-final.

## Jun. Pucksters Surge, Clobber Vernon Club

The Kelowna Packers have no chance in their junior counterparts. While the Packers hosted Vernon Canadians and beat them 4-2, the Kelowna junior club was trimming the Vernon juniors 7-5 in the first junior game of the Okanagan loop.

Vernon jumped into an early lead, held the locals down 2-1 at the end of the first frame, and 5-3 going into the third.

In the third frame, however, the Kelowna boys took charge and hammered in four goals while the Vernon club failed to respond.

Coached from the bench by team manager Gerry Levasseur, in the absence of flu-bitten coach Blair Peters, the club's third-period surge was too tough for the Vernon club, but both teams showed plenty of promise for a good junior year of competition.

Big Bob Jablonski paced the junior Packers, scoring a brace and checking both ways hard. Big and fast, Jablonski, younger brother of the Packers' Greg, is one of the most promising juniors seen in Kelowna.

Dennis Casey, wingman who narrowly missed connecting in the Saskatchewan Junior League this year, picked up a singleton.

Mat Koenig, Jim Tomkins, Glen Bancroft and Miles Treadgold, all Okanagan juniors, picked up a goal apiece.

The club, organized for the second year in valley play, is under the able coaching of former pro referee Peters, who is also manager of the championship Orioles baseball club.

## Toronto Loves Chuckwagon Fair Feature

TORONTO (CP) — Easterners this week are getting their first look at a favorite feature of western fairs—chuckwagon racing.

At the Royal Winter Fair are three Alberta outfits which were invited to appear in the Royal's horse show.

Each night they drive their rigs in two fast laps around the Coliseum arena—and the crowd loves it.

"It's been going over real big," said Percy Willis of Turner Valley, owner and driver of one of the four-horse outfits. "We've been exceptionally well received."

The other entries are driven by Danny Gerlitz of D'Winton and Elmer Edworthy of High River.

## Adlai Stevenson Meets Dulles

WASHINGTON (AP) — Adlai Stevenson met for 1½ hours this week with State Secretary Dulles and pronounced the session "very encouraging."

It was Stevenson's debut as consultant on the Eisenhower administration's program for building a stronger North Atlantic alliance. He was given an office in the state department for his use during continuing studies and consultations.

## School Cagers To Stage Sat. Tournament

High school hoopers will have weekend in the girls' senior in a chance at some competition this vitational tournament in the Rutland High School, starting with two exhibition matches on Friday night.

The Vernon high school boys and girls will play exhibitions on Friday at 7:30 and 8:30 p.m., as preliminary to the tourney, which kicks off Saturday at 9 a.m.

Kamloops, Kelowna, Summerland and Armstrong will play in one section, with each team playing three games in the regular session up till 6 p.m.

Similkameen, Vernon, Oliver and Rutland will battle it out in the other section.

Second place clubs in each section will meet at 7 p.m. to determine third and fourth spots in the tourney.

First place clubs in each section will meet at 8:15 in the finals. The Rutland band will try out their newly sprouting wings, playing between the two Saturday night games.

Admission to Friday night's game will be 50 cents for adults and 25 cents for students, with the same admission price being charged for all day Saturday.

The tourney will herald the regular high school schedule of play.

## Wool Tariffs May Hike Use Of Synthetics

OTTAWA (CP) — Tariff increases to protect the Canadian wool cloth industry will only boost consumer prices and drive more consumers to using synthetics, the tariff board was told in briefs filed here.

Opponents of a bid by the Canadian industry for sharply increased protection said any move to raise duties would tend to reduce the demand for wool fabrics and stimulate demand for substitute fabrics.

"Although Canadian producers might gain an increased share of the domestic market, they would not necessarily achieve higher sales," British manufacturers said in a brief.

## GOOD REPORT

GLASLYN, Sask. (CP) — This small community in the Meadow Lake area noted with pride the announcement by the Glaslyn and District Rink Association that the rink built in 1954, now valued at more than \$30,000, is free of debt.

MY MISSION is to serve humanity without regard to creed or position or time or place.

I herald the arrival of the new born, I serve them through life and announce their demise.

I am the servant of the poor, the commissioner of the rich.

With each sunrise and each sunset I go forth with new missions to perform.

Each new day new thousands rely upon me to fill their needs and satisfy their wants.

I search out all manner of things for all manner of persons.

I find the castle for the newlyweds, a home for those grown weary and aged.

I find a business for a future giant of industry and a little shop for a widow's livelihood.

I alter the course of millions, and many times the future of maid and man is of my determination.

I recover the lost pets of weeping children, and restore lost persons to anxious friends.

I sing the praise of artisans, proclaim the skill of craftsmen.

COLD LAKE, Sask. (CP) - When a mayor was elected recently at the RCAP base here more than 85 per cent of eligible voters cast ballot. Volunteers took ballot boxes to the homes of real-estate agents.

Organizations Lauded For Assisting CARS

Tribute was paid to local organizations and scores of volunteers who have assisted in the work of the Kelowna branch of the Canadian Arthritis and Rheumatism Society.

Guest speaker at a special meeting held in the health centre last night was Miss Mary Pack, secretary and founder of the B.C. division of CARS.

The film, "Never Surrender" was shown and depicted in color and sound the story of a young woman afflicted with arthritis who was given treatment by CARS.

This interesting picture, filmed in B.C. stars Bill Buckingham and Joyce Newman as "Joan". The film depicts graphically the work of the society as it can affect any person in the area.

NOT CHARITY  
Singed out for generous assistance in the past were the Lions, Kiwanis, Beta Sigma Phi, Rotary Club and Royal Purple Lodge. The speaker also lauded volunteers who have made it possible for the physiotherapist, Miss Isabel Francis M.C.S.P. stationed in this area on CARS' staff to treat 350 patients in the last year. Miss Francis covers an area from Oryama south to Peachland.

"CARS is not a charity. We invest in humanity," she declared, adding that "any patient treated early may become a taxpayer in later years. Without help he may become a social welfare case. No matter what income, CARS never turns down a case referred by a doctor, although most patients try to pay for at least part of the treatment."

Over 2034 treatments were given last year and six patients received special care at the request of the family physician.

AT WINFIELD  
Fruit Body Heads Are Nominated

WINFIELD - Chairman Mel Kawano welcomed members at the 25th anniversary meeting of the Winfield and Okanagan Centre local of the BCFGA held in the Memorial Hall. He also reviewed the progress made by the industry over the years.

There were 29 members and special visitors present.

The following officers were elected: chairman, Mel Kawano (unchanged from last year); vice chairman, H. C. Hansford; secretary, Alec Green (unchanged); auditor, W. Gilhorn (unchanged).

Elected as delegates to the Central District Council were Harold Marshall and H. C. Hansford.

Nominations for District Officers to be forwarded to the Central District Council board: Arthur Garrison, president BCFGA; S. Land and N. Taylor for the executive BCFGA; George Whittaker and J. Gerlein for board of governors; J. Campbell for president of the fruit board; Gordon Desbrisay and Mr. Kemp for members of the fruit board; M. Kawano and Spencer Price for directors of B.C. Fruit Processors.

Resolutions from the 1958 convention were submitted to the local convention and discussed.

At the close of the meeting the Women's Association of the United Church served refreshments.

Also surviving are four great nieces and four great nephews, four of the eight residing in Kelowna. They are: Mrs. C. D. Newby, Dr. R. B. Emslie, Mike Cousins and William Cousins (Okanagan Mission).

Day's Funeral Service was in charge.

Four Council Seats Open At Peachland

PEACHLAND - Municipal council will contact the Inland Gas Co. and request that the agreement be completed and that the date for commencement of installation of the pipeline be announced in the near future.

There will be four council seats to be filled at the coming election. Nominations will be in the municipal hall from 10 a.m. to 12 noon. Nominations will be called for four council vacancies and the reeve. Two council terms will be for two years and two for one year. The latter are for the balance of terms left vacant by the resignations of councillor Lloyd Jones and councillor Ivor Jackson. The latter resigned so that he could run for reeve but the resignation will not take effect until a successor is sworn in at the inaugural meeting early in January. Councillor Jackson has served four years, councillor A. E. Miller, ten years and Reeve Hawley has served four years as councillor and six as reeve.

If a vote is necessary it will be held in the library from 8 a.m. to 8 p.m. on Thursday, December 12.

The voter's list, presently posted in the Trepurrier and Peachland post office as well as the municipal hall was approved by the court of revision on November 1 and shows that 312 persons are eligible to vote.

The firm of Campbell, Imrie and Ashley, of Kelowna was again appointed auditors at a fee of \$600.00 per annum. This was an increase of \$150. over the past two years and \$350.00 over 1954.

Funeral Rites Held For Early Valley Nurse

Nurse "Lil" Edgell, who completed a long life of service to the Kelowna community last week when she died at the age of 93, was laid to rest at the Kelowna cemetery Monday afternoon.

Funeral service was at St. Michael and All Angels' Church with Ven. D. S. Catchpole, D.D., officiating. Archdeacon Catchpole also officiated at the graveside rites.

The choir, where Miss Edgell sang for so many years, assisted with the funeral service. Mrs. E. Pritchard was organist. (Miss Edgell, many years ago, had been organist for a number of seasons.)

Honorary pallbearers were: Dr. W. J. Knox (Miss Edgell was his first nurse in Kelowna); E. M. Carruthers, W. M. Metcalfe and R. D. Knox. Active bearers were J. Mallett and R. Cousins, both of Okanagan Mission; M. Cousins, W. L. Watt, Dr. R. B. Emslie and R. J. E. Stone.

She leaves one sister, Emily Florence Edgell, Kelowna; three nieces, Mrs. J. M. Emslie, Kelowna; Mrs. R. Cousins, Okanagan Mission, and Mrs. R. Reeves, in England; three nephews, R. J. E. Stone, Kelowna, and Allan Edgell and S. Edgell, both in England.

Also surviving are four great nieces and four great nephews, four of the eight residing in Kelowna. They are: Mrs. C. D. Newby, Dr. R. B. Emslie, Mike Cousins and William Cousins (Okanagan Mission).

Ernie Lawley Ex-Winfield Resident Dies

WINFIELD - Residents of Winfield will be sorry to hear of the sudden death of Ernie Lawley as the result of an accident which took place on Nov. 8.

He was born in Craven Arms near Wolverhampton Shropshire, England, February 2, 1890, and served his apprenticeship in the grocery business in that city.

Working in his profession in Llanidwye, Wales, for a short time Mr. Lawley came to Kelowna in 1911 where he was in business for several years.

He was a much respected resident of Winfield from 1919-1932 where he owned and operated The Winfield General Store.

In 1932 he moved to Hope, B.C. and in 1939 settled in Oliver where he was active in business until his recent retirement.

He was a member of the Elks Lodge and interested in many community activities.

Mourning his passing are his wife Bess, his son Bill, RCN, stationed in Victoria, his daughter, Mrs. D. Kirkpatrick (Grace), Langley, B.C. and four granddaughters. He is survived also by three sisters, Rachel, Alice and Edith and several nieces and nephews in England.

Funeral services were held in the Oliver United Church on Tuesday with Rev. S. Pike officiating. Graveside services were conducted by Elks Lodge 267.

Interment was in the Oliver cemetery.

Juvenile Home Conditions Are Said "Shocking"

VICTORIA (CP) - The juvenile foster home near Oak Bay Junction is a breeding ground for crime, Colonel W. S. Dingley, superintendent of the home, told the board of management Tuesday night.

The practice of throwing nine and 10-year-old children together with hoodlums almost 18 can only result in corruption of the youngsters, he told the board.

Col. Dingley suggested two alternatives: Restriction of the home to boys and girls up to the age of 10, instead of 18 as at present with older offenders being sent to city jail; or the construction of a proper detention home capable of holding the almost-adult hoodlums.

Falling either of the two courses being adopted, he and his wife would resign, Col. Dingley said.

Board decided to call a special emergency meeting with Mayor Percy Scourrah, Reeves Arthur Ash of Saanich, A. C. Wurtele of Esquimalt and Fred Norris of Oak Bay, members of district police commissions.

Representative of attorney-general Robert Bonner's department, and lawyer George Gregory, a Liberal for Victoria.

The meeting will be held next Tuesday.

Juveniles arrested by police for offences are often sent to the home until they appear in court. Children over 14 years of age charged with an indictable offence can be lodged in city jail with consent of a magistrate.

SITUATION SHOCKING

Shocking conditions at the home have caused an overcrowding and the older and more experienced criminal types sent to the home, Col. Dingley said.

He said: Parents have been smuggling beer into the home for their children.

Boy friends and girl friends have been brought into the home as "brothers" and "sisters."

Some 45 per cent of the juveniles sent to the home "are just a bunch of hoodlums."

Objectives of the home are being defeated by the older irresponsible boys and girls who pass on criminal information to the younger offenders, he said.

Frequent escapes from the home have forced Col. Dingley to nail shut the windows, the first time this has been done in 11 years. Steel bars to achieve maximum security are on order and will be installed soon.

Local Hospital Deficit \$10,690

Operating loss of Kelowna General Hospital up to the end of October was \$10,690, hospital directors were informed Tuesday night. The October deficit was \$3,387.

This compares with a 12-month operating loss last year of around \$16,000. It was intimated that based on present operating costs, the 1957 deficit will not be as large as the previous year.

Summerland Band Helps Westbank Scout Group

WESTBANK - The concert given by the Summerland Senior Band for the Boy Scouts Association offered the public a form of entertainment not often available in this community. The program was much appreciated by all present.

It, as is likely, the same fine band offered to help Scouts next year, it is hoped that there will be a somewhat larger audience to show appreciation.

Ricker Hearing Now Underway At Assizes

(Courier's Vernon Bureau)

VERNON - Alleged to have struck and fatally injured a 14-year-old girl near Keremeos, Edwin Ricker, of Penitentiary, is facing a criminal negligence charge at the Vernon assizes.

Hearing into the death of Geraldine Ursel began Tuesday afternoon before Mr. Justice J. G. Ruttan. The girl was struck by an automobile while returning to her home on her bicycle after visiting friends. A companion, riding on the shoulder of the road, escaped injury.

Cause of death was due to a skull fracture.

## Duplessis Shapes Quebec Line Towards Hospital Insurances

QUEBEC (CP)—Quebec's attitude towards participation in a national hospital insurance plan, shrouded in uncertainty for years, is slowly taking shape.

While the stand Premier Duplessis' provincial rights-minded Union Nationale party will finally take is still unclear there are strong indications the Quebec government:

1. Is not flatly opposed to participating in a national health insurance plan.
2. Favors a plan controlled by the province exclusively but admits federal aid in the field of health could be incidental.
3. Will definitely reject any plan over which the federal government has some form of control.

The speech from the throne inaugurating the annual legislative session last week contained a brief hint something may develop

in the near future in the field of public health. The sentence did not refer to hospital insurance specifically but the implication was clear to any Quebec reader.

"The methods which may prove to be the best and most progressive methods for public health, without comprising our essential rights, will be put into effect."

The words "will be put into effect" had a rig about them indicating the government may have a plan already worked out though there is no indication at the moment what it might be.

When the throne speech debate gets under way this week the question may be clearly outlined by Mr. Duplessis, who is to lead the Quebec delegation to Ottawa for federal-provincial talks Nov. 25-26.

## Rail Wreck Kills Two; 20 Injured

MEDFORD, Mass. (AP)—The Montreal-Boston express train Red Wing was wrecked yesterday in a derailment at a highway overpass in this suburb six miles north of Boston.

The engineer and fireman of the Boston and Maine Railroad train were killed and about a score of passengers injured.

It was raining at the time of the crash and the train was crossing the overpass at a high speed.

One half of the two-section diesel locomotive plunged over the side of the bridge to the street 15 to 18 feet below.

Tracks and ties were torn up for a quarter of a mile from the bridge back to a siding switch.

The nine-car train was made up of Pullman sleepers, coaches and milk, mail and baggage cars.

**TWO KILLED**  
The engineer was killed when the locomotive was plunged over the side of the bridge.

The dead fireman, identified as George J. Murphy, about 50, of Manchester, N.H., was trapped in the wreckage of the locomotive.

A railroad wrecker was backed to the scene to raise the locomotive and remove Murphy's body.

Scarcely five minutes before the derailment hundreds of pupils of St. Clement's elementary and high schools had walked under the railroad bridge on their way to school. The children report by 8:20 a.m. EST. The train was wrecked about 8:25.

Automobiles passing under the bridge were smashed by the plunging locomotive. The drivers were injured.

## Czech Party Chief Named President

PRAGUE, Czechoslovakia (Reuters)—Communist party chief Antonin Novotny, 52, has been elected president of Czechoslovakia.

In an unprecedented move the Czechoslovak Communists decided that one man should occupy the two key posts of party boss and president of the nation.

This will give Novotny a supreme position in both the state and party apparatus.

The new president is an enthusiastic supporter of Soviet Communist party chief Nikita Khrushchev.

## Boy Scout Gallantry Recognized

OTTAWA (CP)—Governor-General Massey will present 29 gallantry and service awards—two of them posthumously—at the annual scout investiture here Nov. 28.

Scouting's highest award for gallantry, the bronze cross, will be presented to the parents of late scout Wayne Rudolph Jones of Roblin, Man., and Wayne Baranski of Preston, Ont. They lost their lives trying to rescue non-swimmers.

Other top awards include the silver cross to wolf club Timothy Atkins of Deep Cove, B.C., and the gilt cross to scout Joseph Hugh Macfarlane of Sydney, N.S., for rescuing young swimmers.

The gilt cross will be awarded cubmaster Jean Louis Caron of Quebec City for saving a child from being killed by a car.

Opening lead—king of clubs.  
Some slams have to be bid without positive knowledge that they will turn out to be good contracts. Science is cast to the winds where there are no means at hand to secure necessary information.

Take this hand (who wouldn't?) where South bid a slam single-handed. North's two negative responses to the game-forcing two bid made it clear there was a club loser to begin with.

There was also a possible diamond loser, but no practical way to learn whether it would be lost.

North's hand, on the bidding, might have included the jack of diamonds, or might have contained one, two, or four diamonds, any of which would make a slam contract worthwhile. All in all, the odds heavily favored undertaking a slam. So South bid it.

West won the club lead and shifted to the ace of spades which was trumped. The shift was correct. Its purpose was to expose declarer's distribution so that East would be in position to know which suits to guard if declarer ran all his trumps.

Declarer, however, played the hand to the best advantage, and the question of discarding never came up. South drew one round of trump, cashed A-K-Q of diamonds, ruffed the ten in dummy, and thus made twelve tricks.

It may be argued that South ran a risk in cashing three high diamonds while there was a trump outstanding, but such argument would be unsound.

If declarer runs all his trumps, he is subject to defeat if the diamonds do not break 3-3 or the jack does not fall. In the actual hand he would be defeated.

South's method of play makes the contract if it can be made. If a high diamond is ruffed, it means the contract was doomed even if the trumps had been drawn. The best chance, therefore, is to hope that the defender with the diamond stopper also has the nine of hearts, in which case the slam would lose, but even though diamonds do not break favorably.

## YOUR HOROSCOPE

### The Stars Say

**FOR TOMORROW**  
A good day for finishing up incomplete tasks, making decisions you've been evading. In all matters, however, follow well-tested procedures so as to eliminate the possibility of error.

**FOR THE BIRTHDAY**  
If tomorrow is your birthday, your horoscope indicates bright prospects for success during the coming year provided you are willing to share both responsibilities and rewards with others.

This will be especially true during the next six months, when your tendency will be to "go it alone." It's true that you sometimes work best this way, but, for a time, you'll gain more through cooperation with others.

Be conservative in financial matters during the coming year.

In this connection, you have no cause for anxiety, but a policy of consolidation will prove more profitable in the long run than one of expansion. Personal matters are under generally good influences and, if you're single, there is a possibility of a new romance in your life between May and September. Travel will also be well-aspected during this period.

A child born on this day will be endowed with a magnetic personality and great poise in the face of difficulties.

## Nephew Killed — Edmonton Woman Awarded \$4,000

OTTAWA (CP) — Mrs. Elsie B. Dearing of Edmonton won an appeal to the Supreme Court of Canada for \$4,000 damages for the highway accident death of her nephew, Landon Roy Burger, on Christmas Eve, 1953.

The Supreme Court of Alberta had found Charles Hobert of Edmonton responsible for the accident, which occurred at a Calgary-Edmonton highway intersection near Ellerslie, Alta.

Mr. Justice Neil Primrose of that court awarded Mrs. Dearing \$3,000 damages under the province's Trustee Act and \$3,000 under its Fatal Accidents Act, both subject to the apportionment of negligence on the basis that Burger was one-third responsible.

The appeals division reversed the finding. The effect of today's judgment was to restore it.

It said it would revert to the rule.

## Security Insecure

LONDON (Reuters) — Security officials in the supply ministry ordered a full investigation into the case of the lost-and-found secret rocket documents, picked up by a passerby in a London street.

The papers were found by 25-year-old Clifford Beck, who spotted a brown leather briefcase in the street as he was riding his motorcycle home. He reported his find and police called at his suburban home to collect the briefcase.

"One of the papers," he said today, "was marked 'Secret'—to be circulated under double closed cover."

A supply ministry spokesman said:

"The time between the papers being lost and their recovery was very short indeed."

## Bread Prices Cut At Coast — Temporarily

VANCOUVER (CP) — Four leading supermarket groups halved their bread prices Monday with an hour after one of the chains had announced it would sell two loaves for the price of one.

Two family-size 24-ounce loaves went for 10 cents while two 20-ounce loaves sold at 15 cents in the stores. The chain which began the price war with an announcement of a two-for-one bargain on one of its brand-name breads said it was to give "a sample of one of our products just as our competitors frequently do."

## BRIEFS FROM BRITAIN

**BIG MISTAKE**  
AYLESBURY, England (CP) — A motorist stopped for dangerous driving gave a false address. At court here, he found the address he had given was that of the police station. He was fined £25.

**PRESERVE VITAMINS**  
Most vegetables, when grated, can be eaten raw with salads or in sandwiches.

## "CAPTIVE AUDIENCE"

"Captive audience," of TV station CHBC, Vernon residents still find the medium enthralling. With a little more than eight weeks of the big eye, watchers still gather on the street, even when the viewing is uncomfortable due to lack of seats and inclement weather. CHBC is the first television station to reach Vernon. (Courier Staff Photo)

## LOCAL AND DISTRICT

### Rod, Gun Club Supports War On Starlings

City council has another official ally in its war against starlings. The Kelowna and District Rod and Gun Club has thrown its weight into the fight, but admits that the enemy (the birds) is redoubtable and hard to beat.

In a letter from the KDRGC secretary, city council was told that the Kelowna "permanent flock (of starlings) is rapidly increasing in numbers . . . and a systematic slaughter of these resident birds is indicated."

The club feels that "as this problem has been tackled in the past by numerous cities and other authorities throughout North America with very poor results, considerable time should be given to a study of the problem before any major campaign was recommended."

Actions and habits of the starlings will be closely watched by the club members during the winter.

### Penticton Hikes City Council's Stipendiary Pay

PENTICTON (CP) — Initial reading was given by city council to a bylaw setting the maximum stipend allowable under the new Municipal Act—\$3,000 a year for the mayor and \$1,200 for aldermen.

Present salaries are \$1,500 for the mayor and \$750 for aldermen. The increase had been recommended by the Penticton Board of Trade and Junior Chamber of Commerce.

### Harvey Avenue Being Surveyed

"At last!" remarked one of the aldermen Monday night when it was learned that a provincial highways department survey is under way along Harvey Ave.

City council, sparked by the late Mayor Ladd, had been after the department for months to have a survey started so that Harvey Ave. may be brought up to provincial highway standards before the Okanagan Lake bridge is completed (tentatively set for some time next autumn).

### POLICE COURT

Charged in city police court with being intoxicated in a public place, Benjamin Bergman was fined \$10, plus costs of \$3.50 Saturday.

Fine of \$10, plus \$7.50 costs, was imposed in city police court Saturday on Michael Leon Buzink for being intoxicated in a public place.

Pleading guilty to being intoxicated in a public place, Peter Mushia Saturday was fined \$10 and costs in city police court.

Failing to stop at two stop signs in the Armstrong district cost Kenneth Lionel Vesle \$15, plus costs of \$3.50, on each charge, when he appeared in district police court Saturday.

Pleading guilty to a charge of exceeding the 50 miles an hour speed limit on the Barrie street of Highway 97, Darlene Erhar was fined \$30, plus \$4 costs in district police court Monday.

**TRAIL SAFETY RECORD**  
TRAIL (CP) — An accident-free weekend here raised to 1,068 the number of days Trail has gone without a traffic fatality. It is the best record in B.C. for cities over 10,000 population.

### SECOND STOREY JOB GUMMED UP

KEYESPORT, Ill. (AP) — Thieves broke into the State Bank of Keyesport but all they got was \$5 in loose change and a few sticks of chewing gum from the bank president's desk.

The bank president's name — G. W. Gum.

### Davie Fulton Honored By Home Town

KAMLOOPS, B.C. (CP) — Hundreds of residents of Kamloops, North Kamloops and the surrounding area attended a testimonial dinner here Monday night for Justice Minister Davie Fulton.

Mr. Fulton is the MP for Kamloops.

In replying to many tributes Mr. Fulton said: "My roots are here and I don't intend changing my official residence to Ottawa or any other place."

He said: "It's a great challenge to find yourself a member of the government, making the decisions instead of criticizing."

He was presented with a silver tea service from the people of Kamloops and a silver candelabra from North Kamloops.

### Church Granted Permission To Erect Banner

Application from the Anglican Church bazaar committee to erect directional banners over two city intersections was approved by city council Monday night.

Banners will be at Fendos and Sutherland and Richter and Sutherland.

The banners may be up only on Nov. 27, the day of the bazaar.

**IN FAIR CONDITION**  
PRINCE GEORGE (CP) — Thomas Balu, 53, was in fair condition in hospital here after being beaten and robbed of \$350 in his hotel room.

### County Court Holds Brief Sitting Here

County Court session, with Judge Gordon Lindsay of Vernon presiding in Kelowna for the first time, concluded last week.

Most of the 2½ days of sitting was taken up by a civil case, J. F. Renwick versus Agnes E. Coe. The judge reserved judgment in this case that lasted for two days.

At the court's opening Wednesday morning, E. C. Weddell, C.C., welcomed the judge on behalf of the Kelowna Bar Association. At that sitting, 15 applications for Canadian citizenship were dealt with, two of them being declined because the applicants could not speak enough English.

Wednesday afternoon's session was cancelled because of the funeral of Mayor Ladd.

**SELL HOLLY**  
Permission to sell holly on the streets Saturday, Dec. 21, from 1:00 p.m. to 5:00 p.m., was granted by city council Monday night to the Staggie Club. The club, in its application for permission, pointed out that the proceeds would be for charitable purposes.

## TOP MAN ON THE TOTAL POLE

A total of more than \$130,000,000 was spent for advertising last year by national product advertisers . . . and a third of it was spent in daily newspapers. \$43,527,193 to be exact.

That's more money in newspapers than ever before . . . more than in any other medium . . . more than in TV, radio, outdoor and transit combined. And 1956 wasn't unusual.

Every year, newspapers are on top of the total pole. The reason is simple. For results, newspapers can't be topped. Use the daily newspaper as your basic advertising medium. Most advertisers do. The final for 1956:

Daily Newspapers ..... \$43,527,193  
Television .. \$21,445,000 | Outdoor .... 3,172,000  
Radio ..... 13,690,000 | Transit .... 3,644,000

P.S. Canadian retailers invest 82% of their advertising budgets in newspapers . . . for results' sake.
